Preliminary project limits west of FM 1936 to east of BI 20

Extended project limits to east of FM 1208

The schematic design for the proposed project was presented for public input in March 2019 with the limits west of FM 1936 in Ector County to east of BI 20 in Midland County. TxDOT extended the project limits from BI 20 to FM 1208 in 2020.
