

PROJECT FACT SHEET

US 82 (West of Clarksville) Project

From West Division Street in Blossom to SH 37 in Clarksville

PROJECT DETAILS

CSJs: 0045-11-042, 0045-12-086

Limits: West Division Street in Blossom to SH 37 in Clarksville, Lamar and Red River Counties

Project Length: 22 miles

Description: Proposed improvements include a four-lane divided section in rural areas and a five-lane section (including a continuous left-turn lane) in urban and suburban areas. Ramps, bridges and the Northeast Texas Trail would be reconstructed as necessary.

Schedule and funding for construction has not been identified for this project.

US 82 (Clarksville Loop) Project: Schematic design for improvements to the existing US 82 (Clarksville Loop) bypass around the City of Clarksville (from SH 37 to Business US 82-J) is also underway and public involvement is planned for a later date.

US 82 (East of Clarksville) Project: Schematic design for improvements to US 82 (East of Clarksville) from US Business 82-J in Clarksville to CR 3310 is also underway. The project design schematic is available for viewing at this public meeting.

CONTACT INFORMATION
