

**Notice  
Opportunity for Public Hearing  
State Spur 54  
From Chester Park Rd. to I-69 E  
CSJ: 0039-20-008  
Cameron County, Texas**

The City of Harlingen and Cameron County Regional Mobility Authority (CCRMA), in conjunction with the Texas Department of Transportation (TxDOT) is proposing to reconstruct and widen State Spur 54 from Chester Park Road to Interstate Highway 69 East (I-69 E) Southbound Frontage Road in Cameron County, Texas. Total project length is approximately 1.07 miles. Pursuant to Texas Administrative Code, Title 43, §2.106 this notice is affording an opportunity for a public hearing on the proposed project.

The proposed State Spur 54 project would reconstruct and widen the existing four lane divided rural roadway to a six lane divided urban roadway, with a raised median.

The existing rural roadway consists of four 12-foot (ft.) wide travel lanes, two eight-ft. wide outside shoulders, two four-ft. wide inside shoulders, and an 94-ft. wide grass median. The existing right-of-way (ROW) width is 200-ft. The proposed urban roadway would consist of six 12-ft. wide travel lanes, two 10-ft. wide outside shoulders, two 4-ft. wide inside shoulders, a five-ft. wide sidewalk along the north side of the road, a 10-ft. wide walk/cycle path along the south side of the road, and a 14-ft. wide landscaped raised median. All work would occur within existing ROW and additional ROW would not be required; therefore, no displacements or relocations of residences and businesses are necessary.

Any environmental documentation or studies, maps showing the project location and design, tentative construction schedules, and other information regarding the project are on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the CCRMA Office, located at 3461 Carmen Ave. in Rancho Viejo, TX 78575, or the TxDOT San Benito Area Office, located at 1350 E. Highway 77 in San Benito, Texas. For your convenience, it is advised to call Mr. Pete Sepulveda, Jr., at (956) 621-5571 or Mr. Juan Bosquez Jr., P.E., at the TxDOT San Benito Area Office at (956) 399-5102 to schedule an appointment to view the available information. For more information on the Spur 54 project please visit [www.txdot.gov](http://www.txdot.gov), and search keywords: "State Spur 54."

Any interested person may submit comments or request a public hearing covering the social, economic and environmental effects of the proposed location and design for this project. Comments and requests for a public hearing must be submitted in writing on or before January 2, 2018, to the TxDOT Pharr District Office, Attn: Robin Gelston., District Environmental Coordinator, 600 W. I-2 Pharr, TX 78577. Comments and requests may also be submitted by fax to 956 702-6110 or by email to [Robin.Gelston@txdot.gov](mailto:Robin.Gelston@txdot.gov).

*The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the FHWA and TxDOT.*
