The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

Project Description

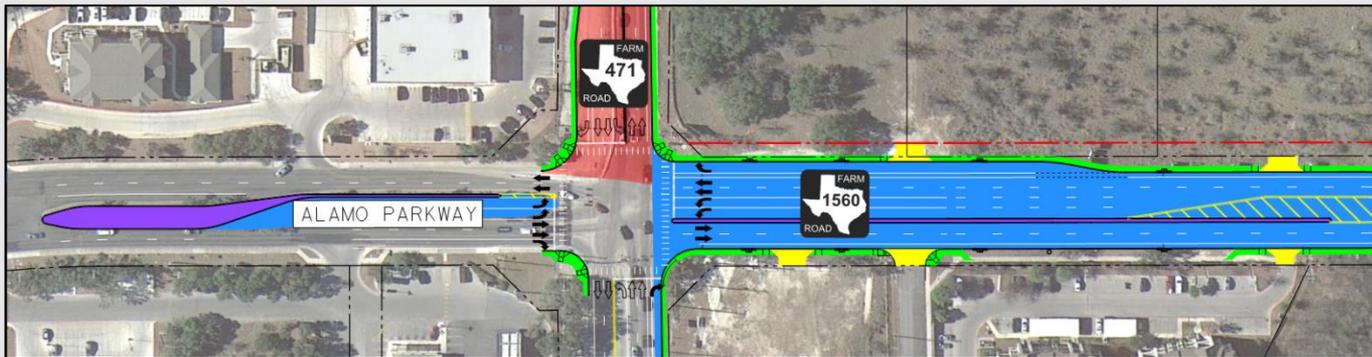

- The FM 1560 project limits are from FM 471 to SH 16, a distance of 5.2 miles
- Expand FM 1560 from 2 lanes to 4 lanes.
- Additional improvements include:
 - Continuous two-way left-turn lane
 - Raised medians at approaches to FM 471 and Galm/Shaenfield
 - Operational improvements at major intersections
 - Bicycle lanes
 - Sidewalks
 - Improvements to drainage

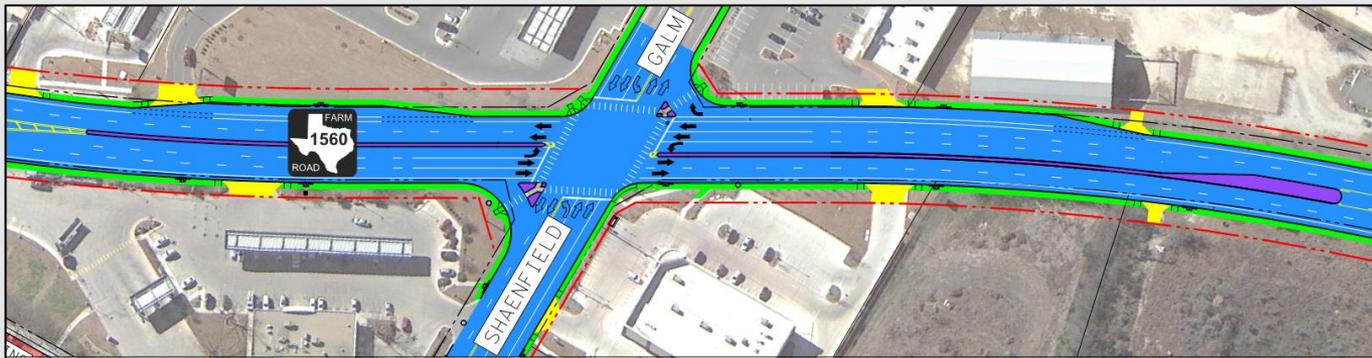

Proposed Improvements – Raised Medians

- Raised medians are a curbed section that safely separates traffic traveling in opposite directions.
- Raised medians reduce traffic conflict points by eliminating opposing left turns into and out of driveways.
- Raised medians are proposed at two major intersections, shown below in purple.
