

NOTICE OF OPEN HOUSE

FM 1560 from FM 471 to SH 16

The Texas Department of Transportation (TxDOT) will host an open house on Wednesday, January 30, 2019 to present proposed improvements to FM 1560 from FM 471 to SH 16 in the cities of San Antonio and Helotes, Bexar County, TX. The proposed project includes widening this section of FM 1560 from two to four lanes, a continuous two-way left turn lane, raised medians at the approaches to FM 471 and Galm/Shoenfield, bike lanes, sidewalks, and drainage improvements. Twenty-three acres of land will be acquired for this project and no displacements are anticipated.

Open House

Anyone interested in the project is invited to attend the open house. There will be no formal presentation, so attendees can come and go at their convenience. Attendees will have the opportunity to view schematics of the proposed improvements, see a project video, visit with team members, ask questions, and share their comments on the project.

The open house will be conducted in English. Persons interested in attending the open house who have special communication or accommodation needs are encouraged to contact Nicolas Garcia at (210) 494-5511 by January 23, 2019. Every reasonable effort will be made to accommodate these needs.
