<td>Question: Property [Sta 1220+00 to 1235+00] drops ~4 feet below road. With new sidewalk will there be fill? I want to put in a fence, can I put it in or should I wait?</td>
<td>No changes to the frontage road/sidewalk are proposed as part of the I-10, I-410 to Loop 1604 project adjacent to this property. Construction is scheduled to begin soon for the conversion of frontage roads between Foster Road and Loop 1604, which was cleared as a separate project. The sidewalk is part of the frontage road project. Comment has been provided to the TxDOT San Antonio District I-10 frontage road project team. I am planning a landfill. I do not like the conversion of the frontage road from two-way to one-way. My customers (trucks) will need to drive to FM 1516 to turn around.</td>

<td>11/3/2016</td>
<td>Comment Card</td>
<td>The project seems beneficial to ease traffic congestion &amp; danger on highway in peak periods where traffic is backed up on highway.</td>
<td>Comment noted. We have concern for our guests staying at the hotel that may be affected by noise, particularly late night/early morning. Also concern over utilities being shut-off for our guests – and, if this is necessary, if this can be scheduled with us directly to minimize impact. We would like to request that night work is not done around the hotel. We would be grateful for any assistance that you may provide with regards to the above comments. Thank you. Noise impacts to sensitive receptors are considered as part of the environmental review process for the project. In accordance with TxDOT guidance and practice, the outdoor pool is being analyzed as part of the study, since noise analyses are concerned with areas of frequent outdoor use. In addition, noise is analyzed for the loudest hour – that hour which represents the worst case combination of vehicle mix and speeds. Noise associated with the construction of the project is difficult to predict. Heavy machinery, the major...</td>

Notice of Public Meeting
I-10 East, from I-410 to Loop 1604, in Bexar County, Texas

The Texas Department of Transportation (TxDOT) San Antonio District will hold a public meeting to present proposed improvements for I-10, from 0.6 miles west of I-410 to 2 miles east of Loop 1604, in southeast Bexar County, Texas. The public meeting will be held on Thursday, November 3, 2016, from 5:00 p.m. to 7:00 p.m. at the True Vision Church – Northeast, at 2826 Ackerman Road, San Antonio, TX 78219.

The proposed project would upgrade the existing I-10 mainlanes and add one lane in each direction. The proposed improvements would also include reconstruction of interchanges and ramps along the project limits and modification of frontage roads at Loop 1604 and Graytown Road. Approximately 5 acres of right of way would be required.

The public and anyone interested in the project are invited to attend the public meeting. The meeting will be in an open house format with no formal presentation, so attendees can come and go at their convenience. Attendees will have the opportunity to view project maps and schematics of the proposed improvements, visit with team members, ask questions, and share their comments on the project. This information is available by appointment Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT San Antonio District Office located at 4615 NW Loop 410, San Antonio, Texas 78229. To make an appointment or for questions about the project contact Clayton Ripps, P.E., Advanced Transportation Planning Director, (210) 615-6076.

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact Melissa Bernal at (210) 615-5811. Requests should be made at least two days prior to the public meeting. Every reasonable effort will be made to accommodate these needs.

For more information about the project, please visit txdot.gov, keyword “I-10 East from I-410” or scan the QR Code with your phone or tablet. Comments on the project may be submitted or postmarked by November 18, 2016. Comments can be submitted at the meeting, mailed, or emailed to:

Email: Larichards@mbakerintl.com

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
Aviso de Reunión Pública
I-10 East, entre I-410 hasta Loop 1604, en el Condado de Bexar, Texas

El Departamento de Transporte de Texas (TxDOT por sus sigla en inglés) Distrito de San Antonio llevará cabo una reunión pública para presentar las mejoras propuestas a lo largo de la I-10, a 0.6 millas oeste de la I-410 hasta 2.0 millas este del Loop 1604, en el sureste del Condado de Bexar, Texas. La reunión pública se llevará a cabo el Jueves 3 de Noviembre, 2016, de 5:00 p.m. a 7:00 p.m. en la Iglesia True Vision - Noreste, en el 2826 Ackerman Rd, San Antonio, TX 78219.

El proyecto propuesto mejoraría los carriles principales existentes de la I-10 y añadiría un carril en cada dirección. Las mejoras propuestas también incluirían la reconstrucción del intercambio y las rampas a lo largo de los límites del proyecto y modificación de las vías de acceso (frontage roads) en el Loop 1604 and Graytown Road. Se requerirían aproximadamente 5 acres de derecho de vía.

El público y aquellas personas interesadas en el proyecto están invitados a asistir a la reunión pública. La reunión será en formato de exhibición y sin presentación formal, por lo que los asistentes podrán entrar y salir a su conveniencia. Los asistentes tendrán la oportunidad de ver los mapas del proyecto y esquemas de las mejoras propuestas, conocer a los miembros del equipo, hacer preguntas y compartir sus comentarios sobre el proyecto. Esta información está disponible con cita previa de Lunes a Viernes entre las 8:00 a.m. y las 5:00 p.m. en la Oficina de TxDOT Distrito de San Antonio ubicado en la 4615 NW Loop 410, San Antonio, Texas 78229. Para hacer una cita o para preguntas sobre el proyecto contacte a Clayton Ripps, P.E., Director de Planeación Avanzada de Transporte, (210) 615-6076.

La reunión pública se llevará a cabo en inglés. Se recomienda a las personas interesadas en asistir a la reunión que tienen necesidades especiales de comunicación o acomodación ponerse en contacto con Melissa Bernal al (210) 615 a 5811. Las solicitudes deben hacerse por lo menos dos días antes de la reunión pública. Se harán todos los esfuerzos razonables para dar cabida a estas necesidades.

Para obtener más información acerca del proyecto, por favor visite txdot.gov, palabra clave “I-10 East from I-410” o escanear el código QR con su celular o tableta. Comentarios acerca el proyecto podrán presentarse o ser fechados antes del 18 de Noviembre de 2016. Los comentarios pueden ser proporcionados durante la reunión, enviados por correo o por correo electrónico:

PUBLIC MEETING
Thursday, November 3, 2016
5:00 PM – 7:00 PM
(Open House Format)

True Vision Church - Northeast
2826 Ackerman Rd., San Antonio, TX 78219

This public meeting provides an opportunity for the community to review proposed improvements, ask questions, and provide comments. There will be no formal presentation. Attendees can come and go at their convenience. The meeting will be conducted in English. Persons interested in attending who have special communication or accommodation needs should call Melissa Bernal at (210) 615-5811 at least two working days prior to the meeting.

Proposed improvements to I-10 East from I-410 to Loop 1604 include:

- Upgrading the existing I-10 mainlanes and adding one lane in each direction.
- Reconstruction of interchanges and ramps along the project limits and modification of frontage roads at Loop 1604 and Graytown Road.
- Approximately 5 acres of right of way would be required.

For more information, please visit txdot.gov, keyword “I-10 East from I-410”, or scan the QR Code with your phone or tablet. Project maps and schematics of the proposed improvements are also available for review by appointment Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT San Antonio District Office. To make an appointment or for questions about the project contact Clayton Ripps, P.E., Advanced Transportation Planning Director, at (210) 615-6076.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
¡Queremos escucharlos!

Notice of Public Meeting
I-10 East, from I-410 to Loop 1604, in Bexar County, Texas

The Texas Department of Transportation (TxDOT) San Antonio District will hold a public meeting to present proposed improvements for I-10, from 0.6 miles west of I-410 to 2 miles east of Loop 1604, in southeast Bexar County, Texas. The public meeting will be held on Thursday, November 3, 2016, from 5:00 p.m. to 7:00 p.m. at the True Vision Church – Northeast, at 2826 Ackerman Road, San Antonio, TX 78219.

The proposed project would upgrade the existing I-10 mainlanes and add one lane in each direction. The proposed improvements would also include reconstruction of interchanges and ramps along the project limits and modification of frontage roads at Loop 1604 and Graytown Road. Approximately 5 acres of right of way would be required.

The public and anyone interested in the project are invited to attend the public meeting. The meeting will be in an open house format with no formal presentation, so attendees can come and go at their convenience. Attendees will have the opportunity to view project maps and schematics of the proposed improvements, visit with team members, ask questions, and share their comments on the project. This information is available by appointment Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT San Antonio District Office located at 4615 NW Loop 410, San Antonio, Texas 78229. To make an appointment or for questions about the project contact Clayton Ripps, P.E., Advanced Transportation Planning Director, (210) 615-6076.

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact Melissa Bernal at (210) 615-5811. Requests should be made at least two days prior to the public meeting. Every reasonable effort will be made to accommodate these needs.

For more information about the project, please visit txdot.gov, keyword “I-10 East from I-410” or scan the QR Code with your phone or tablet. Comments on the project may be submitted or postmarked by November 18, 2016. Comments can be submitted at the meeting, mailed, or emailed to:

Michael Baker International
Attn: I-10, I-410 to Loop 1604 Project
17721 Rogers Ranch Parkway, Suite 250
San Antonio, TX 78258
Email: Larichards@mbakerintl.com

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
Aviso de Reunión Pública
I-10 East, entre I-410 hasta Loop 1604, en el Condado de Bexar, Texas

El Departamento de Transporte de Texas (TxDOT por sus sigla en inglés) Distrito de San Antonio llevará acabo una reunión pública para presentar las mejoras propuestas a lo largo de la I-10, a 0.6 millas oeste de la I-410 hasta 2.0 millas este del Loop 1604, en el sureste del Condado de Bexar, Texas. La reunión pública se llevará a cabo el Jueves 3 de Noviembre, 2016, de 5:00 p.m. a 7:00 p.m. en la Iglesia True Vision - Noreste, en el 2826 Ackerman Rd, San Antonio, TX 78219.

El proyecto propuesto mejoraría los carriles principales existentes de la I-10 y añadiría un carril en cada dirección. Las mejoras propuestas también incluirían la reconstrucción del intercambio y las rampas a lo largo de los límites del proyecto y modificación de las vías de acceso (frontage roads) en el Loop 1604 and Graytown Road. Se requerirían aproximadamente 5 acres de derecho de vía.

El público y aquellas personas interesadas en el proyecto están invitados a asistir a la reunión pública. La reunión será en formato de exhibición y sin presentación formal, por lo que los asistentes podrán entrar y salir a su conveniencia. Los asistentes tendrán la oportunidad de ver los mapas del proyecto y esquemas de las mejoras propuestas, conocer a los miembros del equipo, hacer preguntas y compartir sus comentarios sobre el proyecto. Esta información está disponible con cita previa de Lunes a Viernes entre las 8:00 a.m. y las 5:00 p.m. en la Oficina de TxDOT Distrito de San Antonio ubicado en la 4615 NW Loop 410, San Antonio, Texas 78229. Para hacer una cita o para preguntas sobre el proyecto contacte a Clayton Ripps, P.E., Director de Planeación Avanzada de Transporte, (210) 615-6076.

La reunión pública se llevará a cabo en inglés. Se recomienda a las personas interesadas en asistir a la reunión que tienen necesidades especiales de comunicación o acomodación ponerse en contacto con Melissa Bernal al (210) 615 a 5811. Las solicitudes deben hacerse por lo menos dos días antes de la reunión pública. Se harán todos los esfuerzos razonables para dar cabida a estas necesidades.

Para obtener más información acerca del proyecto, por favor visite txdot.gov, palabra clave “I-10 East from I-410” o escanear el código QR con su celular o tableta. Comentarios acerca del proyecto podrán presentarse o ser fechados antes del 18 de Noviembre de 2016. Los comentarios pueden ser proporcionados durante la reunión, enviados por correo o por correo electrónico:

RE: I-10, I-410 to Loop 1604
Invitation to Meeting with Affected Property Owners

Dear Property Owner:

On behalf of the Texas Department of Transportation (TxDOT), San Antonio District, you are invited to attend a Meeting of Affected Property Owners for the proposed I-10, I-410 to Loop 1604 project. You are receiving this invitation because you have been identified as owning properties (listed below) within areas where additional right of way may be needed based on the preliminary project design. Enclosed with this letter are a brief project description and a map of the proposed project location.

```
<table>
<thead>
<tr>

```

The TxDOT San Antonio District is available to meet with you on Tuesday, October 25, 2016 at 9:00 a.m. at the TxDOT San Antonio District Office, located at 4615 NW Loop 410, San Antonio, TX. The purpose of the meeting is to discuss information related specifically to the project’s preliminary design and to answer your questions. TxDOT will also discuss the right-of-way acquisition process and relocation assistance that may be needed due to the proposed project.

If you are not available at the time specified above or have any questions about the proposed project, please contact me at (210) 515-6076 (Clayton.Ripps@txdot.gov).

Sincerely,

[Signature]

Clayton Ripps, P.E.
Advanced Transportation Planning Director

Enclosure:
Project Description and Project Location Map
**Project Description:** Proposed improvements for I-10 begin 0.6 miles west of I-410 and end 2 miles east of Loop 1604, in southeast Bexar County, Texas. The proposed project would upgrade the existing I-10 mainlanes and add one lane in each direction. The proposed improvements would also include reconstruction of interchanges and ramps along the project limits and modification of frontage roads at Loop 1604 and Graytown Road. Approximately 5 acres of right of way would be required.

Transcript (No Verbal Comments)
NAME: AUGUST Golla
ADDRESS: PROPERTY SOUTH SIDE
REPRESENTING: HIMSELF

(Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:
☐ I am employed by TxDOT
☐ I do business with TxDOT
☐ I could benefit monetarily from the project or other item about which I am commenting

COMMENTS:

Question: Property drops 4 feet below road. With new sidewalk, will there be fill? I WANT to put in a fence. CAN I put it in or should I wait?

I am planning a landfill. I do NOT like the conversion of the frontage road from two-way to one-way. My customers (trucks) will need to drive to FM 1516 to turn around.

Comments must be submitted or postmarked by November 18, 2016. Comments can be provided at the meeting; mailed to Michael Baker International, Attn: I-10, I-410 to Loop 1604 Project, 17721 Rogers Ranch Parkway, Suite 250, San Antonio, TX 78258; or emailed to Larichards@mbakerintl.com.
NAME: Clay Smith
ADDRESS: _______________________________________________________
REPRESENTING: VIA/ATD

(Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:
☐ I am employed by TxDOT
☐ I do business with TxDOT
☐ I could benefit monetarily from the project or other item about which I am commenting

COMMENTS: I would like to see a transportation envelope preserved for future HOT/managed lanes on the I-10 corridor for the ability to move people in the future. Structures should be positioned in order to accommodate this envelope.

Comments must be submitted or postmarked by November 18, 2016. Comments can be provided at the meeting; mailed to Michael Baker International, Attn: I-10, I-410 to Loop 1604 Project, 17721 Rogers Ranch Parkway, Suite 250, San Antonio, TX 78258; or emailed to Larichards@mbakerintl.com.

☐ I am employed by TxDOT
☐ I do business with TxDOT
☐ I could benefit monetarily from the project or other item about which I am commenting

COMMENTS: I'd like to be put on the email list for this project & the 1604 expansion project specifically in front of my subdivision, &amp; Court Night/Graytown Rd.

Comments must be submitted or postmarked by November 18, 2016. Comments can be provided at the meeting; mailed to Michael Baker International, Attn: I-10, I-410 to Loop 1604 Project, 17721 Rogers Ranch Parkway, Suite 250, San Antonio, TX 78258; or emailed to Larichards@mbakerintl.com.
NAME: Rupesh | Avani Patel

ADDRESS: Best Western Plus San Antonio East

REPRESENTING: Hotel.

(Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

☐ I am employed by TxDOT
☐ I do business with TxDOT
☐ I could benefit monetarily from the project or other item about which I am commenting

COMMENTS: The project seems beneficial to ease traffic congestion and danger on highway in peak periods where traffic is backed up on highway.

We have concern for our guests staying at the hotel that may be affected by noise, particularly late night/early morning. Also concern over utilities being shut-off for our guests - and, if this is necessary, if this can be scheduled with us directly to minimize impact. We would like to request that night work is not done around the hotel.

We would be grateful for any assistance that you may provide with regards to the above comments.

Thank you.

Comments must be submitted or postmarked by November 18, 2016. Comments can be provided at the meeting; mailed to Michael Baker International, Attn: I-10, I-410 to Loop 1604 Project, 17721 Rogers Ranch Parkway, Suite 250, San Antonio, TX 78258; or emailed to Larichards@mbakerintl.com.

☐ I am employed by TxDOT
☐ I do business with TxDOT
☒ I could benefit monetarily from the project or other item about which I am commenting

COMMENTS: The project looks great and will address much of the congestion along I-40 near I-10 in the area. I look forward to working with TxDOT on the future on this project.

E.1 Project Presentation
Welcome

- Thank you for participating in the Public Meeting for the proposed I-10 East, I-410 to Loop 1604 Project.
- The meeting is in an open house format so you can come and go at your convenience.

Please plan to:
- Watch the video presentation.
- View the project maps and schematics of the proposed improvements.
- Visit with team members and ask questions.
- Share your comments.
I-10 Corridor – San Antonio to Houston

- Passing through San Antonio and Houston, the I-10 corridor connects two of the largest and fastest growing metropolitan areas in Texas.
  - A Statewide Corridor Plan to expand I-10 from San Antonio to Houston is under development.
  - The proposed I-10 East project from I-410 to Loop 1604 would compliment this Corridor Plan.

Project Location

- The proposed I-10 East project is located in southeast San Antonio, Bexar County, Texas.
  - Project begins 0.6 miles west of I-410.
  - Project ends 2.0 miles east of Loop 1604.
The schematic design and environmental review process for the proposed I-10 East project from I-410 to Loop 1604 is currently under study.

The study began Fall 2015 and is scheduled to be completed by Spring 2017.*

* Date is preliminary and subject to change.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

Construction would begin Summer 2018.*

Construction would be completed in approximately 3½ years.

Project cost is currently estimated at $225 million.

* Date is preliminary and subject to change.
Purpose of the Proposed Project

- Increase capacity to meet increased growth demand.
- Improve safety and mobility.
- Convert frontage roads from two-way to one-way operation.
- Upgrade to current design standards.

Need for the Proposed Project

- Traffic along I-10 is projected to increase approximately 40% by the year 2040 and the percentage of trucks also continues to increase.
- Pavement is deteriorating because of heavy traffic and poor soil conditions.
- Existing interchange designs limit mobility.
- Existing two-way frontage roads do not meet design standards.
**Proposed Improvements**

- One mainlane would be added in each direction to accommodate traffic growth.
- Existing I-10 mainlanes would be reconstructed to address deteriorating pavement conditions.
- Mobility would be addressed by improving the function of interchanges at Ackerman Road, Foster Road, Loop 1604, and Graytown Road.

**Proposed Improvements (Continued)**

- Two-way frontage roads between Loop 1604 and Pfeil Road would be changed to one-way operation to improve safety.
- Two-way frontage roads west of Loop 1604 are being changed to one-way under a separate project – currently underway.
- New frontage road would be provided for Loop 1604 north of I-10 to provide access to adjacent properties.
- Sidewalks would be added along proposed frontage roads.
- Proposed improvements are within the existing right of way (ROW) with approximately 5 acres of additional ROW that would need to be acquired. No displacements are anticipated.
We Want to Hear from You!

- Provide your verbal comments to the court reporter tonight.
- Leave a comment card in the comment box.
- Email your comments to: Larichards@mbakerintl.com
- Mail your comments to:
