

Welcome

I-410 at US 281/San Pedro Avenue Operational Improvements

Virtual Public Meeting

Oct. 13th, 2020

www.txdot.gov, keyword “I-410 at US 281”

Why am I here?

- Learn about the I-410 at US 281/San Pedro Avenue proposed improvements
- Watch the presentation and view the exhibits and improvement simulations
- Provide comments on the proposed improvements
- Provide your contact information to stay informed

Memorandum of Understanding

- The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Memorando de Entendimiento

- La revisión ambiental, consultas, y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevado a cabo por TxDOT - en virtud de 23 USC 327 y un Memorando de Entendimiento fechado el 9 de diciembre del 2019, y ejecutado por la FHWA y el TxDOT.

Why is the
project needed?

- **Safety Concerns (2014-2018)**
 - 3.7 crashes per day on average
 - 9 fatalities
- **Congestion Concerns**
 - I-410 ranked #46 in Texas' Top 100 Most Congested Roads*
- **Operational Concerns**
 - Excessive backups along mainlanes and at intersections

What is the
purpose of the
project?

- **Improve safety, congestion, and mobility throughout the corridor by:**
 - Reconfiguring ramps
 - Lengthening and/or removing weaving and merging segments
 - Improving intersections
 - Removing bottlenecks
