

Open House – I-10 Corridor Study: Loop 1604 to SH 130

Open House #1

When: October 24, 2017
5:30 p.m. – 7:30 p.m.

Where: Ray D. Corbett Junior High School
12000 Ray Corbett Dr.
Schertz, TX 78154, Cibolo, TX 78108 ([Map](#))

Open House #2

When: November 6, 2017
5 p.m. – 7 p.m.

Where: Seguin City Coliseum
950 S. Austin St.
Seguin, TX 78155

The TxDOT San Antonio District will be hosting an open house is to share information and gather feedback regarding proposed improvements to I-10 between Loop 1604 (San Antonio) and SH 130 (Seguin). Displays, maps and other project information will be available and the project team will be present to answer questions and receive feedback. The same information will be available at both open houses. Interested stakeholders are encouraged to come-and-go at their convenience; no formal presentation will be made.

Improvements along I-10 are proposed to address current mobility and safety issues in the project area, bring the highway's design up to current engineering standards, and accommodate future needs within the corridor.

The proposed project includes the following improvements:

- Adding one mainlane in each direction, to bring the lane total to six mainlanes
- Upgrading some interchanges
- Converting existing two-way frontage roads to one-way frontage roads
- Adding frontage roads where they do not currently exist
- Adding auxiliary lanes along the mainlanes and frontage roads where needed
- Modifying ramp configurations to improve mobility
- Raising some bridges to provide greater vertical clearance
- Improving roadway design elements
- Adding pedestrian and bicycle safety improvements at key intersections, interchanges and frontage road locations

At this time, TxDOT does not anticipate the need to acquire significant new right of way or eliminate driveway access.

Comments may be submitted in person at the open house, by mail to the address listed below, or by email to abby.tomlinson@mbakerintl.com. Comments must be received or postmarked by November 20, 2017, to be included in the official meeting summary.

Michael Baker International
Attn: I-10 Corridor Study
17721 Rogers Ranch Parkway, Suite 250
San Antonio, TX 78258

The open house will be held in English with Spanish speaking staff on hand. If you'd like to attend the open house and have communication or accommodation needs, please contact Melissa Bernal at (210) 615-5811 at least five business days prior to the open house. Every reasonable effort will be made to accommodate those needs.

The same information will be posted both open houses.

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 16, 2014, and executed by FHWA and TxDOT.
