

Open House Notice Kendall Gateway Study

Texas Department of Transportation (TxDOT), in partnership with Kendall County and the City of Boerne, will conduct an Open House to discuss the status of the Kendall Gateway Study, a feasibility study that has been undertaken to identify potential alternatives to relieve traffic congestion in Kendall County and Boerne. The Open House will be held on Wednesday, November 8, 2017 at the Boerne Middle School South cafeteria located at 10 Cascade Caverns, Boerne, TX 78015 from 6:00 p.m. to 8:00 p.m. The Open House will have no formal presentation and attendees can come-and-go at their convenience. Study Team members, as well as staff from TxDOT, Kendall County, and the City of Boerne, will be on hand to discuss the feasibility study and answer questions.

The purpose of the Open House is to present and discuss the preliminary results of the traffic study, public input, and reasonable alternatives. Maps showing the study area, reasonable alternatives, and environmental constraints will be available for viewing at the Open House.

All interested citizens are invited to attend this Open House. Written comments from the public regarding this feasibility study are requested. Written comments may be submitted in person, by mail, or email to TxDOT San Antonio District, Richard De La Cruz, P.E., TxDOT Project Manager, 4615 NW Loop 410, San Antonio, TX 78229-5126 or kendallgateway@pozcam.com. Written comments must be postmarked by November 27, 2017 to be included in the official open house record.

The Open House will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact Lena Camarillo at (210) 349-3273. Requests should be made at least five days prior to the Open House. Every reasonable effort will be made to accommodate these needs.

If you have any general questions or concerns regarding the study or the Open House, please contact Richard De La Cruz, P.E. at (210) 615-6434 or Richard.DeLaCruz@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
