Texas Department of Transportation
2021 - 2024 Rural Transportation Improvement Program
San Antonio District

To combat the spread of COVID-19, the Texas Department of Transportation (TxDOT) is following guidance provided by our state's health and emergency management officials. To do our part to help prevent its spread, TxDOT will be conducting an on-line virtual public meeting for the proposed 2021-2024 Rural Transportation Improvement Program (Rural TIP) for the San Antonio TxDOT District.

The virtual meeting presentation will be posted on April 30, 2020 at 6pm. To take part in the virtual public meeting, go to the web address txdot.gov and use the keyword search box for the "Hearings and Meetings Schedule" page. Once on that page click on the "Virtual Public Meeting – Rural Transportation Improvement Program (TIP) San Antonio District" to get instructions on how view the presentation and make comments. The presentation will include both audio and visual components. If you do not have internet access, you may call 210-615-5845 to request materials or ask questions.

The purpose of this virtual public meeting is to receive comments on the proposed of the 2021-2024 Rural TIP for the San Antonio TxDOT District. The San Antonio District includes Atascosa, Bandera, Frio, Kendall, Kerr, Medina, McMullen, Uvalde, and Wilson counties. The Rural TIP includes all regionally significant projects to be funded within a TxDOT District during the next four years, including those eligible for funding. As such, these meetings offer the public an opportunity to review and comment on the proposed priorities. A project in the Rural TIP is a project coming to your community. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

The Rural TIP meeting are being held pursuant to *Title 43, Texas Administrative Code, Section 16.102*, which calls for an opportunity for public comment concerning the program. Presentation materials will show how the Rural TIP operates along with associated/prioritized projects.
