

Texas Department of Transportation Public Hearing Notice - Statewide Transportation Improvement Program

The Texas Department of Transportation (department) will hold a public hearing on Tuesday, August 20, 2019 at 10:00 a.m. at 200 East Riverside Drive, First Floor, Room 1A.2 in Austin, Texas to receive public comments on the August 2019 Quarterly Revisions to the Statewide Transportation Improvement Program (STIP) for FY 2019-2022.

The STIP reflects the federally funded transportation projects in the FY 2019-2022 Transportation Improvement Programs (TIPs) for each Metropolitan Planning Organization (MPO) in the state. The STIP includes both state and federally funded projects for the nonattainment areas of Dallas-Fort Worth, El Paso, Houston and San Antonio. The STIP also contains information on federally funded projects in rural areas that are not included in any MPO area, and other statewide programs as listed.

Title 23, United States Code, §134 and §135 require each designated MPO and the state, respectively, to develop a TIP and STIP as a condition to securing federal funds for transportation projects under Title 23 or the Federal Transit Act (49 USC §5301, et seq.). Section 134 requires an MPO to develop its TIP in cooperation with the state and affected public transit operators and to provide an opportunity for interested parties to participate in the development of the program. Section 135 requires the state to develop a STIP for all areas of the state in cooperation with the designated MPOs and, with respect to non-metropolitan areas, in consultation with affected local officials, and further requires an opportunity for participation by interested parties as well as approval by the Governor or the Governor's designee.

A copy of the proposed August 2019 Quarterly Revisions to the FY 2019-2022 STIP will be available for review, at the time the notice of hearing is published, at each of the department's district offices, at the department's Transportation Planning and Programming Division offices located in Building 118, Second Floor, 118 East Riverside Drive, Austin, Texas, or (512) 486-5004, and on the department's website at: <http://www.txdot.gov/government/programs/stips.html>.
