

SH 6 Waco Improvements Public Meeting

The Texas Department of Transportation is planning improvements to SH 6 from FM 185 (Cedar Rock Parkway/N River Crossing) to Spur 412 (McLaughlin Road) to enhance safety and mobility. TxDOT is hosting a public meeting to provide community members the opportunity to view engineering plans and provide comments.

Proposed improvements include:

- Widening SH 6 to 5 lanes, including two full lanes in each direction with a two-way left turn lane
- Relocating and lengthening the Spur 412 exit ramp
- Constructing additional drainage structures
