NOTICE OF PUBLIC HEARING
US Business 190: From Avenue D to Constitution Avenue
CSJ: 0231-02-062
Coryell County, Texas

The Texas Department of Transportation (TxDOT) is proposing to improve US Business 190 from Avenue D to Constitution Avenue in Copperas Cove, Coryell County, Texas. This notice advises the public that TxDOT will be conducting a public hearing on the proposed project. **The hearing will be held on Tuesday, Feb. 12, 2019, at the Copperas Cove Civic Center, 1206 W. Ave. B, Copperas Cove, Texas, 76522.** Displays will be available for viewing at 5:30 p.m. with the formal hearing starting at 6 p.m. The purpose of the hearing is to present the planned improvements and to receive public comment on the proposed project.

The proposed improvements to US Business 190 include maintaining the existing three (3) lanes, adding variable width raised medians with left-turn controlled access, a 6-foot-wide sidewalk on the south side of the roadway, a designated 5-foot bicycle lane within the roadway, providing a 14-foot-wide shared vehicle and bicycle lane on the north side and street lighting. The project begins at the existing Avenue D intersection and extends approximately 1.25 miles east to the existing Constitution Drive intersection. The existing US Business 190 roadway consists of 3 lanes both directions with a continuous left-turn access lane from Avenue D to Constitution Drive. The proposed project would maintain three (3) through lanes in both directions and a controlled left-turn access at public street intersections. The main lanes would consist of three (3) 12-foot lanes in each direction and include left-turn and right-turn lanes at several locations. The east- and west-bound lanes will be separated by a varying width raised median. The 6-foot-wide sidewalk located on the south side of the roadway will accommodate pedestrians and include ADA compliant ramps and pedestrian crosswalks at main intersections. A 5-foot bicycle lane will be added in the roadway on the south side and a 14-foot shared access lane will accommodate both vehicular and bicycle traffic. Additional right of way is not required based on the current design.

Any environmental documentation or studies, maps showing the project location and design, tentative construction schedules, and other information regarding the project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Waco District Office, 100 S. Loop Dr., Waco, TX 76704 and the

TxDOT Gatesville Area Office, 3502 E. Main, Gatesville, TX 76528, and online at <https://www.txdot.gov/inside-txdot/get-involved/about/hearings-meetings.html> and search "US Business 190". This information will be available for inspection at the hearing. Verbal and written comments from the public regarding the project are requested and may be presented at the hearing or submitted in person or by mail to Liz Bullock, P.E. US Business 190 Project Manager, TxDOT Waco District Office, 100 S. Loop Dr., Waco, TX 76704. **Comments must be received on or before Wednesday, Feb. 27, 2019, to be part of the official hearing record.**

The hearing will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact TxDOT Waco District Public Information Office at (254) 867-2705. Requests should be made at least two business days prior to the meeting. Every reasonable effort will be made to accommodate these needs.

If you have general questions or concerns regarding the proposed project or the hearing, please contact the TxDOT US Business 190 Project Manager, Liz Bullock, P.E., by telephone at (254) 867-2751.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
