- **Presentation (5 p.m.)**
  - **Welcome & Introductions – Michael Bolin, PE – Director of Transportation Planning and Development**
  - **Technical Presentation – Abram VanElswyk, PE – I.S. Engineers, LLC**
- **Adjourn Presentation**
- **Open House (come-and-go) until 7 p.m.**

### PROJECT INFORMATION

The purpose of this meeting is to solicit public input on the proposed design of sidewalk, drainage & parking improvements to a portion of FM 2268 (Main Street) in Salado, TX. The existing right-of-way (ROW) width varies from 60 to 100 feet.

The design and environmental studies for this project extend from Salado Plaza Drive to College Hill Drive. Sidewalks would be constructed along both sides of Main Street in most areas. Bike lanes are also proposed between Salado Plaza Drive and Thomas Arnold Road. To accommodate the sidewalks and bike lanes, adjustments are proposed to the existing parking and drainage configurations along Main Street.

This public meeting will be part of TxDOT's consultation process under Section 106 of the National Historic Preservation Act. TxDOT historians will identify and evaluate all historic properties immediately adjacent to this project to help project planners look for ways to avoid, minimize or mitigate any potential adverse effects to any significant historic resources. The public is encouraged to talk to our historians tonight and comment on the proposed sidewalk project regarding its potential to affect significant non-archaeological historic resources.

To make an appointment to review the schematic in person at a TxDOT office, contact TxDOT Project Manager - Chris Mashek, PE, at 254-867-2750, or Belton Area Engineering Assistant, Clayton Zacha, PE, at 254-939-3778.

### Internet and e-mail

To review and download the schematic online, go to the TxDOT website at: [www.txdot.gov](http://www.txdot.gov). In the search field, type "FM 2268," which will lead you to the meetings page. From this page you can view maps of the schematic and submit written comments by clicking "e-mail us."

### Written Comments

You may submit written comments tonight, or by mail to:

Texas Department of Transportation

ATTN: Michael Rhodes

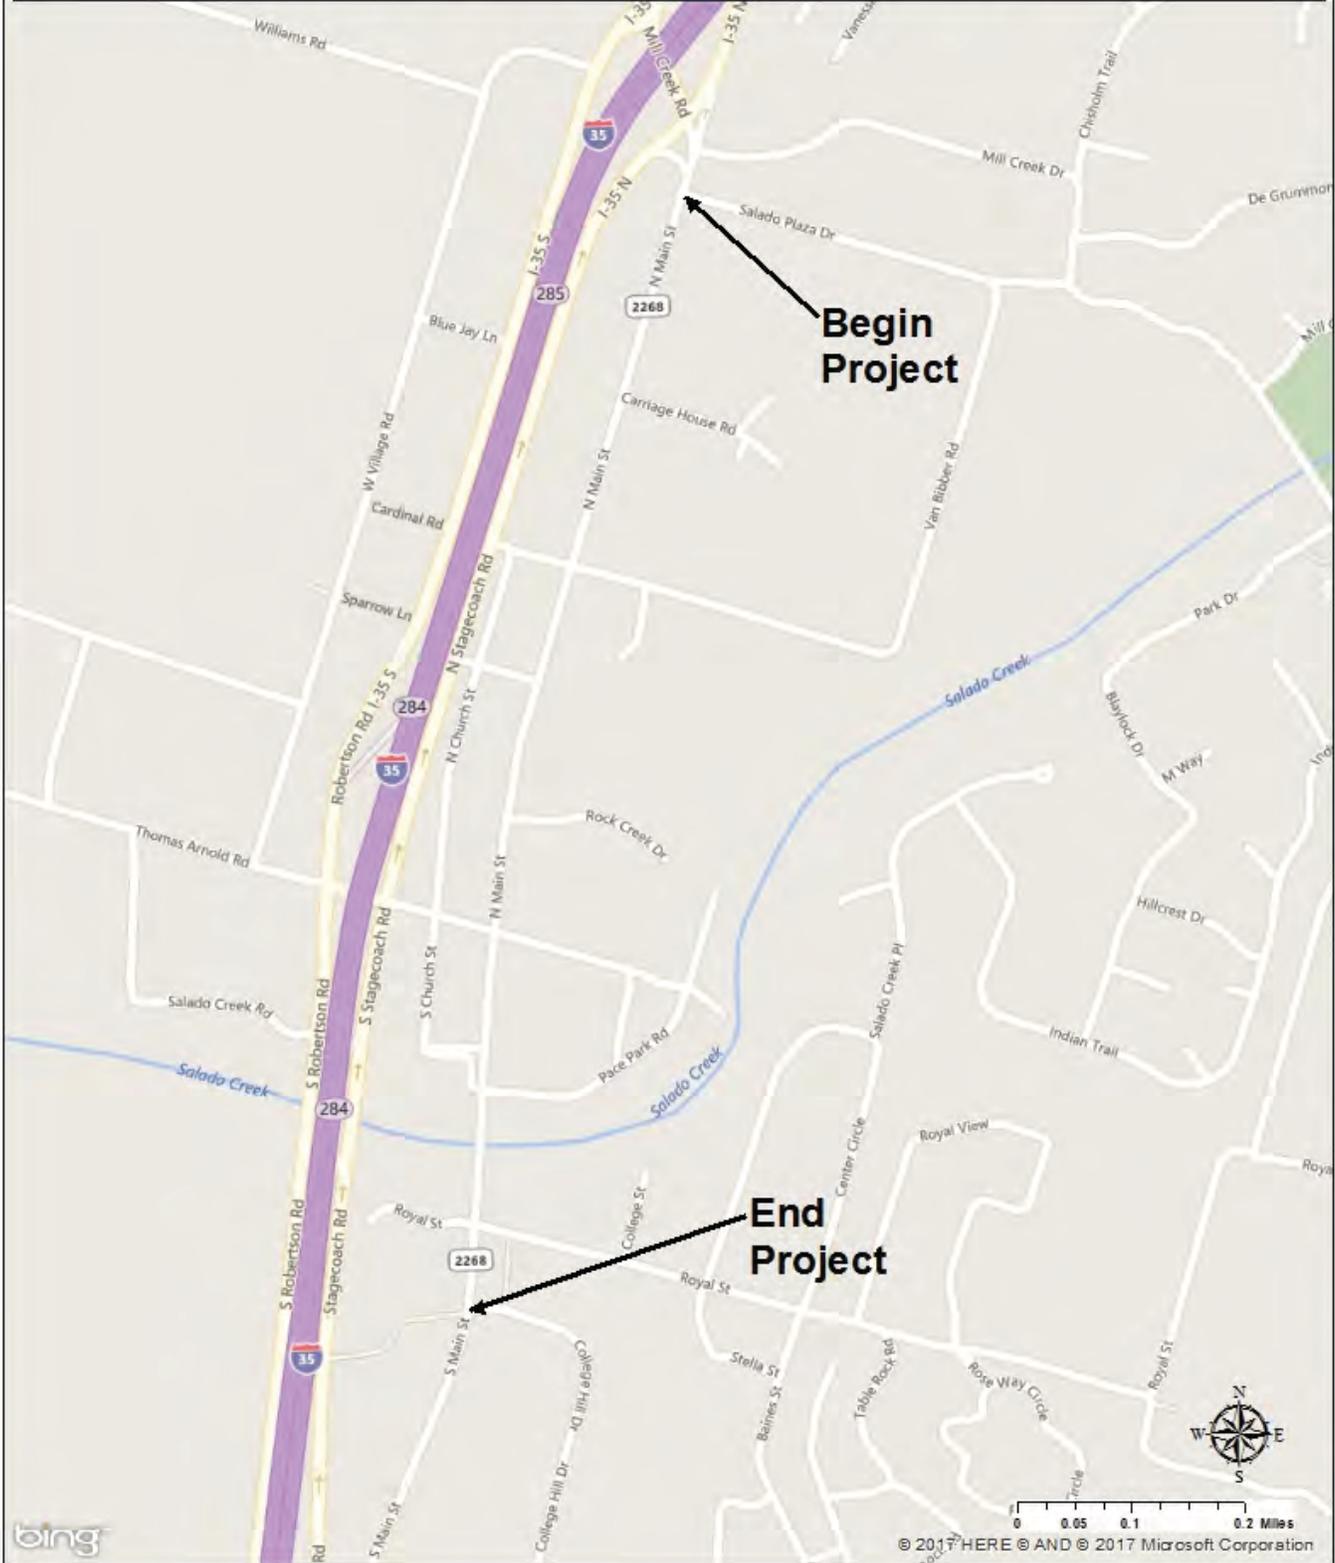

100 South Loop Drive

Waco, TX 76704-2858

TxDOT will accept comments on the project until **August 30, 2017**. Please submit all comments by this date in order that they may be included in the official public record.

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.*
