

# **Notice of Public Hearing**

**Nolanville City Park Connectivity Project**  
**On Avenue H from 10<sup>th</sup> Avenue to Mesquite**  
**On Mesquite from Avenue H to the City Park**  
**CSJ: 0909-36-167**  
**City of Nolanville**  
**Bell County, Texas**

The Texas Department of Transportation (TxDOT), as the lead agency, in coordination with the City of Nolanville, is proposing to create bike paths and shared use paths to improve the existing roadway conditions on East Avenue H from North 10th Street to Mesquite Street, crossing East Avenue H to continue north on Mesquite Street to Monarch Park at Gold Star Avenue in Nolanville, Bell County, Texas. The proposed project is an 0.82 miles long shared use path and bike lane within the existing 60'-65' wide right-of-way of Avenue H and 50' wide right-of-way of Mesquite Street.

This notice advises the public that TxDOT will host a public hearing on Thursday, March 5, 2020 at Nolanville City Hall, 101 North 5th Street, Nolanville, Texas, 76559. Displays of the proposed work will be available for viewing at 5 p.m., with the formal hearing beginning at 6 p.m. The purpose of the hearing is to present the planned improvements and to receive public comment on the proposed project. The existing facility is a two-lane roadway with Right-of-Way (ROW) width measuring approximately 55 to 85 feet.

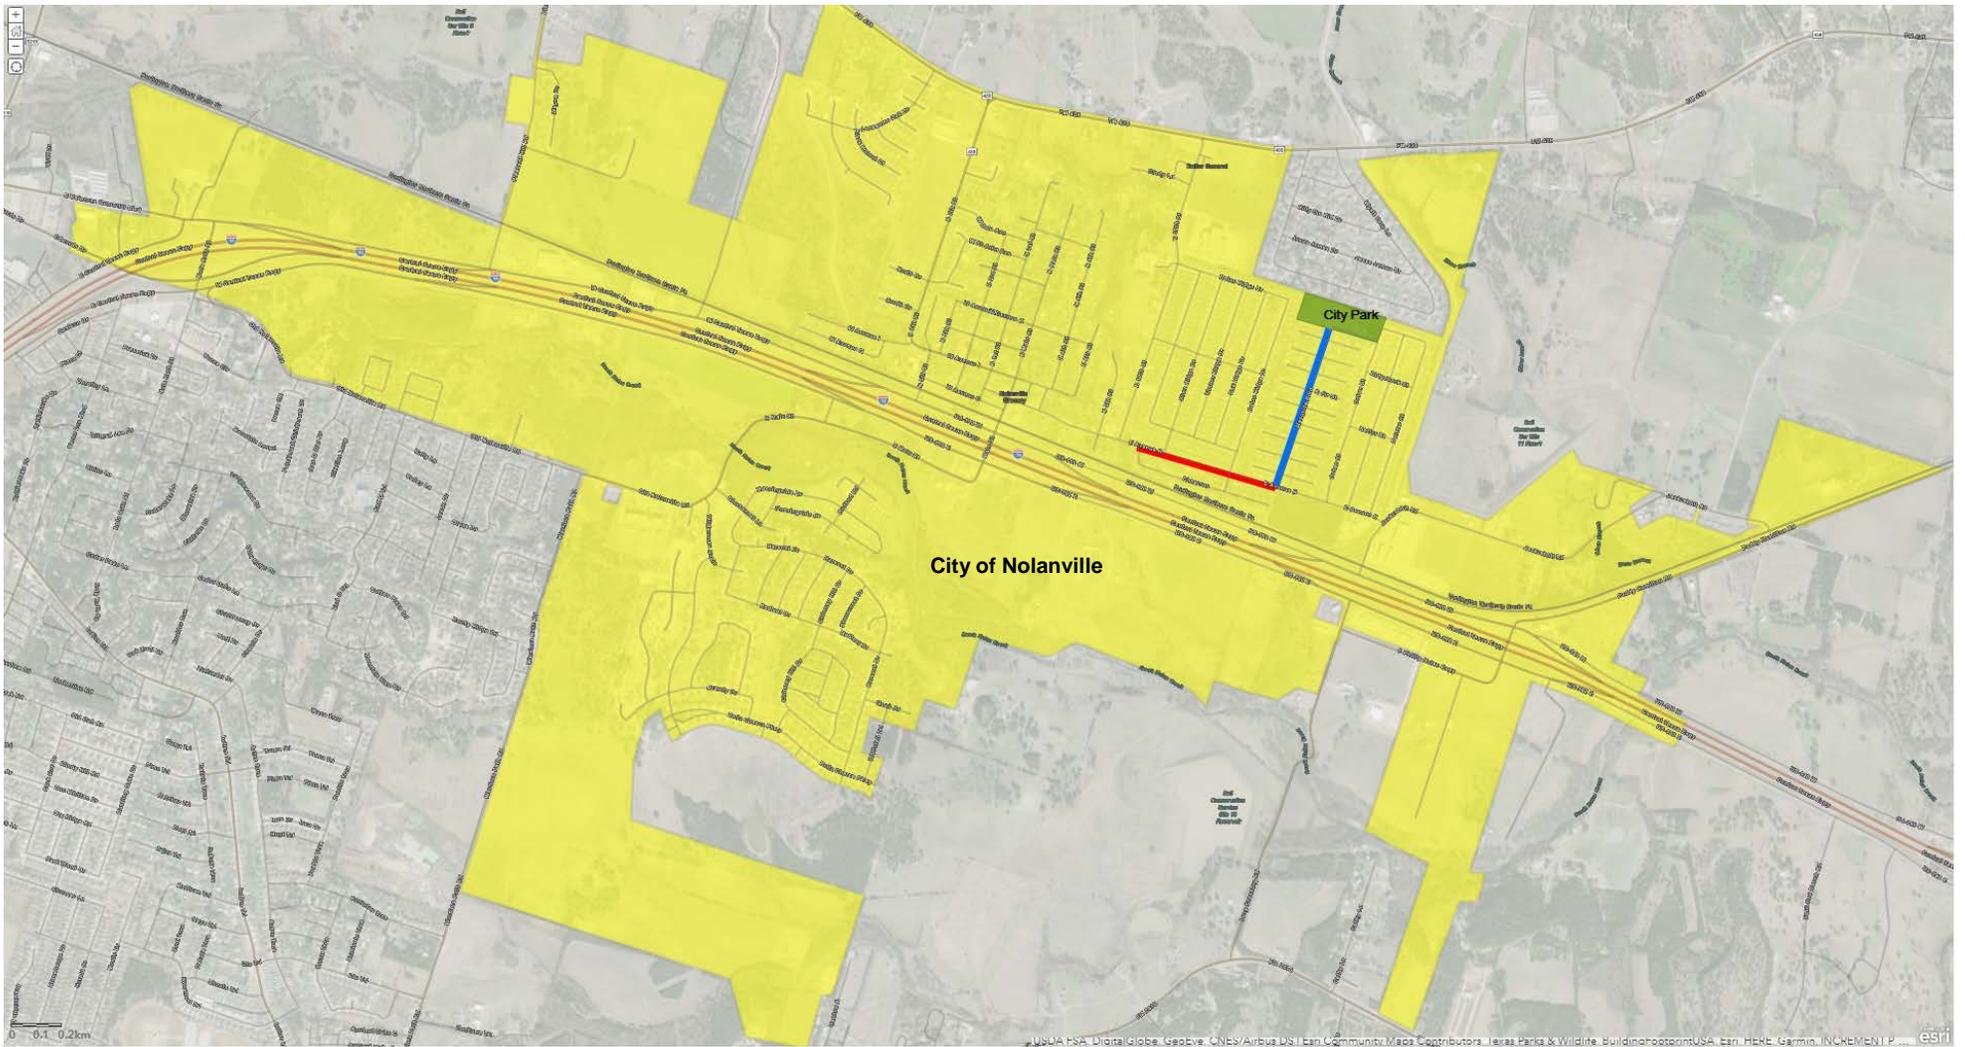

The proposed construction includes installation of a 5' or 6' concrete sidewalks, curbs, gutters, and dedicated bike lanes to incorporate multi-modal transportation. Traffic calming islands and landscaping along Mesquite Boulevard will be constructed in addition to roadway rehabilitation and asphalt overlay, bike lane striping, concrete driveway approaches, and drainage improvements along Mesquite Boulevard and Avenue H. Although additional right-of-way may be required, no residential or non-residential structures would be displaced. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition may be obtained from the City of Nolanville.

Supporting documentation about the project including maps, drawings, and other environmental documents or studies and a tentative construction schedule will be displayed at the meeting. Information depicting the location of proposed improvements, alternatives, currently known environmental constraints, and the geometric design and other information about the proposed project that are recorded in the official project file will be made available for public inspection Monday through Friday between the hours of 8 am – 5pm at the TxDOT Waco District office at (254) 867-2700 at 100 South Loop Dr, Waco, TX 76704 and other information will be available online at [www.txdot.gov](http://www.txdot.gov).

Verbal and written comments from the public regarding the project are requested and may be presented at the hearing, submitted in person, submitted by mail to the TxDOT Waco District, 100 South Loop Dr, Waco, TX 76704 or emailed to Michael A. Rhodes at [Michael.Rhodes@txdot.gov](mailto:Michael.Rhodes@txdot.gov). Comments must be received on or before March 20, 2020 to be part of the official hearing record.

The hearing will be conducted in English. Persons interested in attending the hearing who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Michael Rhodes, with the project team, at Michael A. Rhodes Texas Department of Transportation Environmental Coordinator, Waco District 100 S. Loop Drive Waco, TX 76704 – 2858 (254) 867-2739. Requests should be made at least two business days prior to the hearing. Every reasonable effort will be made to accommodate these needs. If you have any general questions or concerns regarding the proposed project or the hearing, please contact at Michael A. Rhodes Texas Department of Transportation Environmental Coordinator, Waco District 100 S. Loop Drive Waco, TX 76704 – 2858 (254) 867-2739.

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.*

Nolanville is located approximately 5 miles west of Belton, TX. Improvements include sidewalks, ribbon curb, bicycle lanes, and drainage. The proposed project is located on the south side of East Avenue H from N. 10<sup>th</sup> Street to Mesquite Blvd, crossing E. Avenue H to continue on the west side of Mesquite Blvd north to the City Park.

-  The proposed project is located on the west side of Mesquite Blvd.
-  The proposed project is located on the south side of Avenue H.
