RE: 10/69 Interchanges Project – Notification of Withdrawal of Request for Qualifications

To Whom It May Concern:

The Texas Department of Transportation (TxDOT) hereby announces the withdrawal of the Request for Qualifications (RFQ) issued on June 18, 2019, as amended, for the 10/69 Interchanges Project (Project). Instead, TxDOT is issuing a Request for Information (RFI) to obtain industry input related to the procurement of the Project.

Please note that TxDOT is not canceling the procurement of this Project. However, the deadlines and procurement schedule contained in the withdrawn RFQ are no longer effective. Rules governing communications and improper contacts during the continued procurement of this Project are set forth in the RFI.

Sincerely,
