RE: 10/69 Interchanges Project – Industry Workshop Invitation

The Texas Department of Transportation (TxDOT) will be conducting an Industry Workshop for the 10/69 Interchanges Project (Project). TxDOT cordially invites representatives of your team to this workshop to discuss the upcoming design-build procurement for the Project.

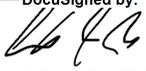

The Industry Workshop will be held on Friday, March 6, 2020, from 9:00 am to 11:00 am at the Houston District Office, in Conference Room 105, located at 7600 Washington Avenue, Houston, Texas, 77007.

The Texas Department of Transportation welcomes this opportunity to have a meaningful discourse with all potential Proposers concerning TxDOT's approach to the procurement and implementation, including Disadvantaged Business Enterprise (DBE) partnering. DBEs are encouraged to attend. At the end of the presentation, time will be allocated for DBE networking. Attendance at this workshop is not mandatory and interested parties will remain eligible to submit a qualification statement if they do not attend the workshop.

Please be advised that TxDOT has issued a project status update, which is available at: <https://www.txdot.gov/inside-txdot/division/debt/strategic-projects/alternative-delivery/10-69-interchanges/rfq.html>

We look forward to your attendance at the Industry Workshop and to continue working with you during the upcoming procurement of the Project.

Sincerely,

DocuSigned by:
