POSSESSION AND USE AGREEMENT FOR TRANSPORTATION PURPOSES

STATE OF TEXAS  §  ROW CSJ:
COUNTY OF  §  Parcel No.:

This Possession and Use Agreement For Transportation Purposes (the “Agreement”) between the State of Texas, acting by and through the Texas Department of Transportation (the “State”), and (the “Grantor” whether one or more), grants to the State, its contractors, agents and all others deemed necessary by the State, an irrevocable right to possession and use of the Grantor’s property for the purpose of constructing a portion of Highway No. (the “Highway Construction Project”). The property subject to this Agreement is described more fully in field notes and plat map (attached as “Exhibit A”) and made a part of this Agreement by reference (the “Property”).

1. For the consideration paid by the State which is set forth in Paragraph 2 below, the receipt and sufficiency of which is acknowledged, the Grantor grants, bargains, sells and conveys to the State of Texas the right of entry and exclusive possession and use of the Property for the purpose of constructing a highway and appurtenances thereto and the right to remove any improvements. Authorized activities include surveying, inspection, environmental studies, archeological studies, clearing, demolition, construction of permanent improvements, relocating, replacing, and improving existing utility facilities, locating new utility facilities, and other work required to be performed in connection with the Highway Construction Project. This Possession and Use Agreement will extend to the State, its contractors and assigns, owners of any existing utilities on the Property and those which may be lawfully permitted on the Property by the State in the future, and all others deemed necessary by the State for the purpose of the Highway Construction Project. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of utilities on the Property.

2. In full consideration for this irrevocable grant of possession and use and other Grantor covenants, warranties, and obligations under this Agreement, the State will tender to the Grantor the sum of Dollars ($ ). The Grantor agrees that this sum represents adequate and full compensation for the possession and use of the Property. The State will be entitled to take possession and use of the Property upon tender of payment. The parties agree that the sum tendered represents percent of the State's approved value, which assumes no adverse environmental conditions affecting the value of the Property. The approved value is the State’s determination of the just compensation owed to the Grantor for the real property interest to be acquired by the State in the Property, encumbered with the improvements thereon, if any, and damages to the remainder, if any, save and except all oil, gas and sulphur. The parties agree that the sum tendered to Grantor will be deducted from any final settlement amount, Special Commissioners’ award or court judgment. In the event the amount of the final settlement or judgment for acquisition of the Property is less than the amount the State has paid for the possession and use of the Property, then the Grantor agrees that the original amount tendered represents an overpayment for the difference and, upon written notice from the State, the Grantor will promptly refund the overpayment to the State.

3. The effective date of this Agreement will be the date on which payment pursuant to Paragraph 2 above
was tendered to the Grantor by the State, or disbursed to the Grantor by a title company acting as
escrow agent for the transaction, (the “Effective Date”).

4. The Grantor warrants and represents that the title to the Property is free and clear of all liens and
encumbrances or that proper releases will be executed for the Property prior to funds being disbursed
under this Agreement. The Grantor further warrants that no other person or entity owns an interest in
the fee title to the Property and further agrees to indemnify the State from all unreleased or undisclosed
liens, claims or encumbrances affecting the Property.

5. The parties agree that the valuation date for determining the amount of just compensation for the
real property interest proposed to be acquired by the State in the Property, for negotiation or eminent
domain proceeding purposes, will be the Effective Date of this Agreement.

6. This Agreement is made with the understanding that the State will continue to proceed with acquisition
of a real property interest in the Property. The Grantor reserves all rights of compensation for the title
and interest in and to the Property which the Grantor holds as of the time immediately prior to the
Effective Date of this Agreement. This Agreement shall in no way prejudice the Grantor’s rights to
receive full and just compensation as allowed by law for all of the Grantor’s interests in and to the
Property to be acquired by the State, encumbered with the improvements thereon, if any, and damages,
if any, to the remainder of the Grantor’s interest in any larger tract of which the Property is a part (the
“Remainder”), if any; all as the Property exists on the Effective Date of this Agreement. The State’s
removal or construction of improvements on the Property shall in no way affect the fair market value
of the Property in determining compensation due to the Grantor in the eminent domain proceedings.
There will be no project impact upon the appraised value of the Property. This grant will not prejudice
the Grantor’s rights to any relocation benefits for which Grantor may be eligible.

7. In the event the State institutes or has instituted eminent domain proceedings, the State will not be
liable to the Grantor for interest upon any award or judgment as a result of such proceedings for any
period of time prior to the date of the award. Payment of any interest may be deferred by the State
until entry of judgment.

8. The purpose of this Agreement is to allow the State to proceed with its Highway Construction Project
without delay and to allow the Grantor to have the use at this time of a percentage of the estimated
compensation for the State’s acquisition of a real property interest in the Property. The Grantor
expressly acknowledges that the proposed Highway Construction Project is for a valid public use and
voluntarily waives any right the Grantor has or may have, known or unknown, to contest the
jurisdiction of the court in any condemnation proceeding for acquisition of the Property related to the
Highway Construction Project, based upon claims that the condemning authority has no authority to
acquire the Property through eminent domain, has no valid public use for the Property, or that
acquisition of the Property is not necessary for the public use.

9. The Grantor reserves all of the oil, gas and sulphur in and under the land herein conveyed but waives
all right of ingress and egress to the surface for the purpose of exploring, developing, mining or
drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface.
Nothing in this reservation will affect the title and rights of the State to take and use all other minerals
and materials thereon, and thereunder.
10. The undersigned Grantor agrees to pay as they become due, all ad valorem property taxes and special assessments assessed against Property, including prorated taxes for the year in which the State takes title to the Property.

11. Notwithstanding the acquisition of right of possession to the Property by the State in a condemnation proceeding by depositing the Special Commissioners’ award into the registry of the court, less any amounts tendered to the Grantor pursuant to Paragraph 2 above, this Agreement shall continue to remain in effect until the State acquires title to the Property either by negotiation, settlement, or final court judgment.

12. This Agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors in interest and assigns of the parties.

13. It is agreed the State will record this document.

14. Other conditions: .

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to the State of Texas and its assigns forever, for the purposes and subject to the limitations set forth above.
