

Pre-RFP Informational Meeting: Pavement Design Services

The Professional Engineering Procurement Services (PEPS) division will be holding a Pre-RFP meeting in reference to an anticipated procurement intended for indefinite deliverable contracts which will consist of pavement design services state wide for Maintenance Division.

The meeting will include a brief overview of the procurement and selection process, including anticipated non-listed categories (NLCs) as applicable to the procurement of the contract. This meeting will be available by Web-Ex as listed below or as posted online. Questions will be fielded in writing via email following the presentation. Significant and relevant questions and answers will be posted on the website.
