

Professional Engineering Procurement Services (PEPS) Division

Solicitation No. 14-0SDP5002

Questions & Answers (Q&A)

Q&A Posting Date: 06/23/2020

Ref #	Provider Question	TxDOT Answer
1.	What are the percentages of each work category?	The percentages of each work category will be posted in the Request for Proposal.
2.	What are the differences between this contract and the previous schematic contract in 2014?	The previous schematic analysis was based on toll lanes and 2040 Regional Transportation Plan. This contract is based on no-toll lanes and includes the most updated information.
3.	What is the design timeline?	The design is tentatively scheduled in early 2023.
4.	Will the previous schematics be available?	Please email harry.pan@txdot.gov to request the information. The information will also be posted when the RFP is advertised.
5.	Are the precluded primes and subproviders precluded to submit to the above-referenced solicitation, or can they still submit as primes but precluded from certain work categories?	The precluded firms cannot participate as a prime or as a subprovider.
