

Professional Engineering Procurement Services (PEPS) Division
Solicitation No. 601CT0000004621
Questions & Answers (Q&A)
Q&A Posting Date: 10/9/2020

Ref #	Provider Question	TxDOT Answer
1.	During the pre-RFP meeting it was stated there were current adjacent schematic/environmental projects the consultant would have to coordinate with. Is it possible to obtain information for those projects in advance of the RFP posting?	No, the preliminary schematics for adjacent projects will not be shared in advance of the solicitation.
