- PS-CAMS is an online system designed for use by firms and their project managers with active TxDOT contracts. It allows project managers to submit required reporting information directly into the system and view their contract data.
- The system supports direct entry of the following information:
 - (1) Monthly reporting for HUB or DBE utilization (H-3 and H-6 form submission) and
 - (2) Initial projection and monthly updates of spending projections.

The screenshot shows the Texas Department of Transportation (TxDOT) PS-CAMS portal. At the top left, the TxDOT logo is displayed with the tagline "Providing safe, effective and efficient movement of people and goods." To the right is a banner image of a bridge under construction. Below the logo, the text "PS-CAMS -- portal" is shown, with "portal" in green, followed by "Professional Services - Contract Administration Management System" and "brought to you by txdot".

The main content area features a "Login" form with the following elements:

- A "Login" heading.
- An "Email" label and a text input field.
- A "Password" label and a text input field.
- A blue "Submit" button.
- A blue link labeled "forgot password?".

Two callout boxes on the right side of the page point to the "Login" and "forgot password?" elements. The "Login" callout is a dark blue box with the text "Login" in white. The "forgot password?" callout is a dark blue box with the text "Forgot Password" in white. At the bottom of the page, a green footer bar contains the text "COPYRIGHT © 2017 TEXAS DEPARTMENT OF TRANSPORTATION".
