Page 1 of 1

BEAUMONT District

This minute order considers a donation from First Baptist Church of Beaumont, for the ROW, design and construction of a proposed access driveway located on the west right-of-way abutting FM 364 approximately 447 feet South of Folsom Drive and drainage improvements within the department's roadside ditch on the north side of FM 364 near Folsom Drive. The donation will address access issues and drainage concerns related to the donor's site development located on FM 364 near Folsom Drive. The work will primarily consist of drainage improvements and sufficient access to the donor's property for the safety of the traveling public. All design, construction work and necessary right-of-way will be provided by the donor, its consultant or its contractor. In addition, the donor will pay for all of the departments direct and indirect costs associated with the review and oversight of this work. The estimated value of the donation is \$215,000.

Transportation Code, §201.206, authorizes the department to accept a donation in any form, including realty, personalty, money, materials, and services, for the purpose of carrying out its functions and duties. Government Code, Chapter 575, requires the governing board of a state agency to acknowledge the acceptance of a donation valued at \$500 or more by majority vote at an open meeting, not later than the 60th day after the date the donation is accepted. It also prohibits a state agency from accepting a donation from a person who is a party to a contested case before the agency until the 30th day after the date the decision in the case becomes final.

Transportation Code, §223.049 authorizes the department to contract with an owner of land adjacent to a highway that is part of the state highway system to construct an improvement on the highway right of way that is directly related to improving access to or from the owner's land.

The Texas Transportation Commission (commission) has adopted 43 TAC §§1.500-1.506, which relate to the department's acceptance of donations. Section 1.503 prohibits acceptance of a gift or donation when the donor is subject to department regulation or oversight or when the donor is interested in or likely to become interested in any contract, purchase, payment, or claim with or against the department, except as provided by that section. It also provides that the commission may approve the acceptance of a donation, notwithstanding the foregoing proscriptions in the rules, if it determines that acceptance would provide a significant public benefit and would not influence or reasonably appear to influence the department in the performance of its duties.

The commission finds that the donation furthers the department's responsibilities and that the donor is not a party to a contested case before the department and has not been a party to a contested case before the department during the last 30 days.

The commission finds that acceptance of the donation would provide a significant public benefit and would not influence or reasonably appear to influence the department in the performance of its duties. IT IS THEREFORE ORDERED by the commission that the donation by First Baptist Church of Beaumont, estimated at \$215,000 is approved for acceptance. The executive director or the executive director's designee is authorized to execute all necessary documents under 43 TAC §1.504 to effect the acknowledgement of the donation.
