

## **OAK HILL PARKWAY OPEN HOUSE – JUNE 17th**

The Oak Hill Parkway Project is an environmental study being conducted jointly by the Central Texas Regional Mobility Authority (Mobility Authority) and the Texas Department of Transportation (TxDOT) to determine the best options for addressing traffic congestion and increasing long-term mobility at the intersection of US 290 and SH 71 West through Oak Hill.

Over the last several months, mobility improvement concepts for the Oak Hill Parkway have been refined and narrowed using the Purpose and Need for the project, as well as other criteria, and public input. Attendees will have the opportunity to review the concepts, speak with representatives from TxDOT, the Mobility Authority and the rest of the project team, and submit comments.

### **Oak Hill Parkway Open House**

Tuesday, June 17th

4pm-7pm

Covington Middle School

3700 Convict Hill Rd

Austin, TX 78749

If you are unable to attend in-person, a Virtual Open House online at [www.oakhillparkway.com](http://www.oakhillparkway.com) will provide another opportunity to view the same information available during the Open House, as well as submit comments. The Virtual Open House will be available from June 18 – June 27.

Comments can be submitted during the Open House in writing, or given verbally to a court reporter. Comments may also be submitted electronically at [www.oakhillparkway.com](http://www.oakhillparkway.com). Written comments can be mailed to TxDOT Austin District Environmental Coordinator, Texas Department of Transportation, P.O. Box 15426, Austin, Texas, 78761-5426 or faxed to 512-832-7157. Comments must be received by June 27, 2014 to be included as part of the official Open House record.
