

NOTICE OF SL 360 PUBLIC MEETING SECTION 4: OLD SPICEWOOD SPRINGS TO US 183

On **Wednesday, March 28, 2012**, the Texas Department of Transportation (TxDOT) will conduct a public meeting to present intersection improvements along State Loop (SL) 360 in Travis County, Texas. The proposed project extends from United States (US) Highway 183 to US 290 and has been divided into four sections (see map on reverse side). Section 1 extends from 800 feet southeast of Mopac Expressway (Loop 1) to Walsh Tarlton Lane. Section 2 extends from Westbank Drive/Scottish Woods Trail to Las Cimas Parkway. Section 3 extends from Westlake Drive to Lakewood Drive, and Section 4 extends from Old Spicewood Springs Road to US 183. TxDOT plans to conduct a public meeting for each section.

This is the first of four planned public meetings to discuss SL 360 intersection improvements. This meeting will cover SL 360 improvements between Old Spicewood Springs Road and US 183 (Section 4). Intersection improvements are being presented for the following locations: US 183, Great Hills Trail, Spicewood Springs Road/Bluffstone Lane, and Old Spicewood Springs Road. Although development of the project is still in the conceptual phase and is subject to change, at this point in time, additional right-of-way is not anticipated. Accordingly, displacement of residences and businesses is not anticipated.
