SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 02-16

**MEMO**

Date: February 3, 2016

**To:** District Engineers

**From:** Tracy D. Cain, P.E.  
Construction Division Director

**Subject:** Statewide Special Specification 6004 (14), "Networking Intelligent Transportation System (ITS) Communications Cable"

---

The above-referenced special specification has been approved for statewide use and is required on all projects using networking ITS communications cables beginning with the May 2016 letting. However, use of this special specification prior to the May 2016 letting is at the district's option. The special specification replaces previous 2014 special specification 6004, "Communications Cable."

This special specification provides for furnishing, installing, and testing twisted-pair cables for networking and telecommunication uses in the field environment.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
