SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 03-16

MEMO

Date: February 3, 2016

To: District Engineers

From: Tracy D. Cain, P.E.
Construction Division Director 

Subject: Statewide Special Specification 6182 (14), "Low Loss Coaxial Cable"

The above-referenced special specification has been approved for statewide use is required for all projects using low loss coaxial cable beginning with the May 2016 letting. However, use of this special specification prior to the May 2016 letting is at the district's option.

This special specification provides for furnishing, installing, and testing coaxial cable for short haul communications requiring low attenuation (loss) over cable distance.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
