SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 05-16

**MEMO**

Date: February 3, 2016

**To:** District Engineers

**From:** Tracy D. Cain, P.E.  
Construction Division Director 

**Subject:** Statewide Special Specification 6184 (14), "Fiber Optic Transceiver"

---

The above-referenced special specification has been approved for statewide use and is required on all projects using ITS fiber optic transceivers beginning with the May 2016 letting. However, use of this special specification before the May 2016 letting is at the district's option.

This special specification provides for furnishing, installing, and testing fiber optic transceivers of the type specified in designated intelligent transportation system field equipment cabinets or in department traffic management centers as shown on the plans.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
