MEMORANDUM**

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 06-07

TO: District Engineers **Date:** February 20, 2007
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Provisions 506---007 (04), 506---008 (04) and 506---009 (04), "Temporary Erosion, Sedimentation and Environmental Controls"

The above referenced special provisions have been approved for statewide use.

Special provision 506---007 (04) requires the Inspector to perform SW3P inspection every 7 calendar days and the Contractor to make corrections to control devices within 7 calendar days.

Special provision 506---008 (04) requires the Inspector to perform SW3P inspection every 14 calendar days and after storm event of 0.5 inches and requires the Contractor to make corrections to control devices within 7 calendar days.

Special provision 506---009 (04) requires the Inspector to perform SW3P inspection once a month and requires the Contractor to make corrections to control devices within 7 calendar days.

Special provision 506---007, 506---008 or 506---009 is required on all projects with Item 506 beginning with the June 2007 letting. The use of these special provisions prior to the June 2007 letting is at the option of the district.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
