The above-referenced special provision has been approved for statewide use and is required for all projects beginning with the May 2010 letting. This special provision replaces and incorporates the requirements of Special Provision 004-013.

This special provision revises Article 4.2. Changes in the Work, to include the use of Table 1 for all contracts. By providing an option for a standard adjustment, we can improve the administration of our contracts.

This special provision also revises Article 4.4. Requests and Claims for Additional Compensation, Section B. Dispute or Claims Procedure. The special provision adds the definition of the word "issue", the Project Pledge, and Issue Resolution Process in compliance with the new Partnering Program initiative.
