MEMORANDUM

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 07-12

TO: District Engineers **Date:** October 13, 2011

FROM: Ken L. Barnett, P.E. 
Interim Director, Construction Division

SUBJECT: Statewide Special Specification 7616 (04) "Install Foundations and Stubs
or Sockets for Small Roadside Sign Assemblies"

The above-referenced special specification has been approved for statewide use for all non-federal aid maintenance projects using item 7616 beginning with the January 2012 letting.

This special specification adds measurement and payment for triangular slip-base systems and allows for the Department to provide the system.

Please disseminate this information to your Transportation Planning & Development, Construction, Maintenance, and Traffic Operations Engineers.
