SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 07-16

MEMO

Date: March 4, 2016

To: District Engineers

From: Tracy D. Cain, P.E.
Construction Division Director

Subject: Statewide Special Specification 6007 (14), "Intelligent Transportation System (ITS) Fiber Optic Cable"

The above-referenced special specification has been approved for statewide use and is required on all projects using ITS fiber optic cable beginning with the September 2016 letting. However, use of this special specification before the September 2016 letting, is at the district's option. The special specification revises and replaces existing 2014 special specification 6007.

This special specification provides for furnishing, installing, relocating, and removing ITS fiber optic cables, fiber patch panels, and splice enclosures as shown on the plans.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
