**Subject:** Statewide Special Specification 6008 (14),  
"Intelligent Transportation System (ITS) Ground Mounted Cabinet"

---

The above-referenced special specification has been approved for statewide use and is required for all projects using an intelligent transportation system (ITS) ground mounted cabinet beginning with the October 2015 letting.

This special specification replaces the existing special specification 6008 (14), and provides for furnishing, fabricating, delivering, installing, and testing ITS ground mounted cabinets of the various types and sizes at locations shown on the plans or as directed.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
