MEMORANDUM

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 09-09

TO: District Engineers **Date:** February 5, 2009
FROM: Thomas R. Bohuslav, P.E. *Thomas R. Bohuslav*
SUBJECT: Statewide Special Provision 788---001 (04), "Concrete Beam Repair"

The above-referenced special provision has been approved for statewide use.

This special provision changes the materials section to use DMS-4655, clarifies strand splicing and CFRP, and states that the plans indicate the order of work. It also modifies the pay items to give four types of repairs. The special provision is required on all projects using Item 788 beginning with the May 2009 letting.

The Specification Guidelines pertaining to this particular item have also been updated accordingly and may be found on-line by going to the following address:
<http://www.dot.state.tx.us/DES/specs/2004/itm04ndx.htm>

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
