From: Darren G. Hazlett, P.E.

Subject: Statewide Special Provision 360—013 (04), "Concrete Pavement"

The above-referenced special provision has been approved for statewide use and is required on all construction projects that call for Item 360, "Concrete Pavement," beginning with the July 2014 letting. However, use of this special provision prior to the July 2014 letting is at the option of the district.

This special provision revises language to comply with DMS -6100, "Epoxies and Adhesives," and replaces special provisions 360-003 and 360-007.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
