Subject: Statewide Special Specification 6064 (14),
"Intelligent Transportation System (ITS) Pole with Cabinet"

The above-referenced special specification has been approved for statewide use and is required for all projects using an intelligent transportation system (ITS) pole with cabinet beginning with the October 2015 letting.

This special specification replaces the existing special specifications 6008 (14), 6031 (14), and 6034 (14), and provides for furnishing, installing, relocating, or removing ITS pole structures and pole mounted cabinets of the various types and sizes at locations shown on the plans or as directed.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
