SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 09-16

MEMO

Date: May 2, 2016

To: District Engineers

From: Tracy D. Cain, P.E.
Construction Division Director

Subject: Statewide Special Provision 421-002 (14), "Hydraulic Cement Concrete"

The above-referenced special provision has been approved for statewide use and is required on all projects using Hydraulic Cement Concrete beginning with the June 2016 letting.

This special provision revises mix design options and exceptions to mix design options for class SS and K, adds a method for determining if aggregate combination sand equivalency requirements are met, revises references to Tables 4 and 6, and removes all contractor job-control testing requirements.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Laboratory, Maintenance, and Traffic Operations Engineers.
