TRAFFIC OPERATIONS ENGINEERS**

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 11-21

MEMO

Date: September 23, 2021

To: District Engineers

From: Ryan C. Barborak, P.E. 
Director, Materials and Tests Division

Subject: Statewide Special Specification SS 6438 (14), "Mobile Retroreflectivity Data Collection for Pavement Markings"

The above-referenced Special Specification has been approved for statewide use and is required for all projects using Mobile Retroreflectivity Data Collection for Pavement Markings beginning with the January 2022 letting. However, use of this Special Specification prior to the January 2022 letting is at the District's option.

This Special Specification provides for furnishing mobile retroreflectivity data collection (MRDC) for pavement markings on roadways as shown on the plans or as designated by the Engineer. This Special Specification also replaces Special Specification 6291.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Laboratory, Maintenance, and Traffic Operations Engineers.
