TO: District Engineers

Date: June 8, 2010

FROM: Russel W. Lenz, P.E.

A handwritten signature in black ink, appearing to read "Russel W. Lenz, P.E.", written over the printed name.

SUBJECT: Statewide Special Provision 300---032 (04), "Asphalts, Oils, and Emulsions"

---

The above-referenced special provision has been approved for statewide use and is required for all projects using Item 300, "Asphalts, Oils, and Emulsions" beginning with the September 2010 letting.

This special provision updates the reference for asphalt approval to refer to the new Tex-545-C, rather than the Material Inspection Guide. This reflects a relocation of the information with no change in process.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
