SUBJECT: Statewide Special Provision 540--023 (04), "Metal Beam Guard Fence"

---

The above-referenced special provision has been approved for statewide use and is required for all projects using Item 540, "Metal Beam Guard Fence" beginning with the September 2010 letting. This special provision replaces and incorporates the requirements of Special Provision 540-015.

This special provision revises Article 540.2 Materials, Section B. Posts, Table 1, Rail Element Requirements to clarify the requirements of the permanent markings.

This special provision also revises Articles 540.2, 540.3, and 540.4 to define and provide payment for driveway terminal anchor posts, short radius metal beam guard fence, and driveway terminal anchor sections. These articles are also supplemented by standard sheet MBGF (SR)-10.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
