SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 17-15

MEMO

Date: October 8, 2015

To: District Engineers

From: Darren G. Hazlett, P.E.
Construction Division Deputy Director

Subject: Statewide Special Provision 506-003 (14),
"Temporary Erosion, Sedimentation, and Environmental Controls"

The above-referenced special provision has been approved for statewide use and is required for all projects not using SP 506-002 beginning with the January 2016 letting.

This special provision voids and replaces the second paragraph of Article 506.1., "Description." The revised language identifies contractor co-permittee requirements for storm water management. Special Provisions 506-001 and SP 506-003 must be used in conjunction with this special provision.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
