SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 18-07

TO: District Engineers **Date:** September 12, 2007
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Provision 007---390 (04), "Legal Relations and Responsibilities"

The above referenced special provision has been approved for statewide use.

The Errors and Omissions insurance requirements under TAHPR do not apply to TxDOT projects and the proposed SP removes the requirements for E&O insurance. This special provision is intended to replace SP 007---300 for specialty asbestos or lead abatement contracts, beginning with the January 2008 letting. The use of this special provision prior to the January 2008 letting is at the option of the district. This special provision should not be included in our general construction and maintenance contracts.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
