**SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 20-06**

**TO:** District Engineers **Date:** April 6, 2006  
**FROM:** Mark A. Marek, P.E.  
**SUBJECT:** Statewide Special Provisions 008---049 (04), 008---050 (04), and 008---051 (04), "Prosecution and Progress"

---

The above referenced special provisions have been approved for statewide use.

Due to comparability issues in using the most recent versions of Primavera Project Planner (versions E/C and 5.0), these special provisions modify the existing special provisions to limit use to the 3.1 version of Primavera or SureTrac softwares until the compatibility issue is resolved.

Special Provision 008---049 replaces 008---002 beginning with the July 2006 letting. Special Provision 008---050 replaces 008---010 beginning with the July 2006 letting. Special Provision 008---051 replaces 008---037 beginning with the July 2006 letting.

These special provisions can be used at the district's option.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
