**From:** Gina E. Gallegos, P.E.  
Construction Division Director

**Subject:** Statewide Special Specification 6156 (14), "Light Emitting Diode (LED) High Mast Illumination Assemblies"

The above-referenced special specification has been approved for statewide use and is optional for construction projects using light emitting diode (LED) high mast illumination assemblies beginning with the September 2018 letting. However, use of this special specification prior to the September 2018 letting is at the district's option.

This special specification provides for installing light emitting diode (LED) high mast illumination assemblies.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Laboratory, Maintenance, and Traffic Operations Engineers.
