SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 31-08

TO: District Engineers **Date:** October 27, 2008
FROM: Thomas R. Bohuslav, P.E.
SUBJECT: Statewide Special Provision 636---014 (04), "Aluminum Signs"

The above referenced special provision has been approved for statewide use.

This special provision adds fiberglass substrates as an approved material with added wording for construction requirements; adds language concerning uniform sign appearance; adds language concerning the special fabrication requirements of DMS-8300 and adds language to provide documentation in the form of a signing material statement.

This special provision is required on all projects with Item 636 beginning with the March 2009 letting. The use of this special provision prior to March 2009 letting is at the option of the district.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
