MEMORANDUM**

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 33-12

TO: District Engineers

Date: December 5, 2012

FROM: John F. Obr, P. E. 
Construction Division Director

SUBJECT: Statewide Special Specification 3271 (04), "Stone Matrix Asphalt"

The above-referenced special specification has been approved for statewide use. This special specification replaces and incorporates the requirements of Item 346 of the standard specifications and all special provisions to Item 346. It is available for use immediately and will be required for all projects using "Stone Matrix Asphalt," beginning with the March 2013 letting.

This special specification reduces Ndesign to 50 gyrations, modifies pay adjustment factors for in-place air voids, and allows for the use of WMA, RAP and RAS in the mix.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
