

ATTENTION: TP&D, DESIGN, CONSTRUCTION, MAINTENANCE AND TRAFFIC OPERATIONS ENGINEERS

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 33-18

MEMO

Date: November 20, 2018

To: District Engineers

From: Jere A. Williams, P.E. ^{DS} *JAW*
Interim Director, Materials and Tests Division

Subject: Statewide Special Specification 6303 (14), "Temporary Over-Height Vehicle Warning System"

The above-referenced special specification has been approved for statewide use and is optional for construction projects using temporary over-height vehicle warning system beginning with the February 2019 letting. However, use of this special provision prior to the February 2019 letting is at the district's option.

This special specification provides for furnishing, installing, relocating, operating, maintaining, and removing various components of an automated, temporary, real time temporary over-height vehicle warning system as shown on the plans or as directed.

A Smart Work Zone Guidelines document is forthcoming soon from the Traffic Safety Division.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Laboratory, Maintenance, and Traffic Operations Engineers.
