**SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 34-18**

**MEMO**

**Date:** November 20, 2018

**To:** District Engineers

**From:** Jere A. Williams, P.E. <sup>DS</sup>   
Interim Director, Materials and Tests Division

**Subject:** Statewide Special Specification 6309 (14), "Temporary Construction Equipment Alert System"

---

The above-referenced special specification has been approved for statewide use and is optional for construction projects using temporary construction equipment alert system beginning with the February 2019 letting. However, use of this special provision prior to the February 2019 letting is at the district's option.

This special specification provides for the furnishing, installing, relocating, operating, maintaining, and removing various components of an automated, portable, real time temporary construction equipment alert system as shown on the plans or as directed.

A Smart Work Zone Guidelines document is forthcoming soon from the Traffic Safety Division.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Laboratory, Maintenance, and Traffic Operations Engineers.
