SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 41-06

TO: District Engineers **Date:** October 13, 2006
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Provisions 001---004 (04), "Definition of Terms",
002---007 (04), "Instructions to Bidders", 003---024 (04), "Award and
Execution of Contract"

The above referenced special provisions have been approved for statewide use.

Special Provision 001---004 defines "Additive Alternate" and "Base Bid". Special Provision 002---007 adds the proposal requirements for additive alternate items. Special Provision 003---024 adds the requirement that the beginning of work includes additive alternate items. These special provisions will be used for projects where some items of work are not guaranteed to be used but must be bid upon in the event the Department decides to do the work. These special provisions can be used at the district's option.

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.
