MEMORANDUM**

SPECIAL PROVISION AND/OR SPECIFICATION CHANGE MEMORANDUM 44-04

TO: District Engineers **Date:** September 7, 2004
FROM: Mark A. Marek, P.E.
SUBJECT: Statewide Special Specifications 6004 (04), "Digital Card Rack Inductive Loop Detector Assembly"; 6012 (04), "Dial-Up Modem"; 6013 (04), "Electronic Components"; 6014 (04), "Fiber Optic Cable"; and 6015 (04), "ISDN Compressed Video Equipment"

The above referenced special specifications have been approved for statewide use.

Special specification 6004 provides for furnishing and making operational a digital card rack inductive loop detector assembly in designated field locations and equipment cabinets.

Special specification 6012 provides for furnishing and installing a stand-alone dial-up modem.

Special specification 6013 provides for using electronic components to manufacture electronic equipment.

Special specification 6014 provides for furnishing, installing, splicing, field terminating, and testing fiber optic cables.

Special specification 6015 provides for furnishing and installing integrated services digital network (ISDN) compressed video equipment (CVE).

Please disseminate this information to your Transportation Planning & Development, Design, Construction, Maintenance, and Traffic Operations Engineers.

Note: Original signed by Mark A. Marek
